***COMPLEX Medicinal Leech Therapy** or comprehensive treatment technology is very exclusive and often used version of Medicinal Leech Therapy (MLT) in the prevention of diseases, as well as the supportive method of treatment for many health issues. It can be used as a method independent, or in combination with others methods, **to strengthen and accelerate their effects treatment.**

Leeches are applied to the areas of high biological activity, for maximum therapeutic effect. Amount of leeches will be matched to the age and severity of the disease.

This form of Medicinal Leech Therapy **can be repeated every 6 months**, consists of **6 sessions**, conducted in **3 – 4 day intervals**.
